Our Mission

Support ADSO members through research, education and advocacy; enabling them to foster innovation, collaboration and a vibrant market where DSO-supported dentists can provide quality oral health care to their patients and to those in the underserved communities.

We are your advocate!
- The only organization representing the needs of DSOs and Group Practices and their ability to operate on a level playing field. ADSO advocates collectively at the state and federal levels in a manner that represents the interests of all its members. ADSO has a proven record of success and is the voice of the industry.
- ADSO maintains a collaborative relationship with organized dental and healthcare associations to better inform the profession and the public about the benefits of affiliating with a DSO practice.

We are the largest network of DSOs and group practices!
- Member CEO’s have the opportunity to participate in ADSO board of director’s meetings and network with the pioneers of today’s DSOs. Members also help to create the future of the ADSO.
- Team members of ADSO companies are able to participate in the various networking committees that both drive the content of the ADSO’s educational offerings and allows peer-to-peer learning opportunities.
- Opportunities to network and collaborate with over 180 Industry Partners of the ADSO.

Why We Matter:

EDUCATION

- Complimentary registration to attend the ADSO Summit which provides educational and networking opportunities for DSOs of all sizes.
- ADSO Partnering for Growth programs designed for emerging DSOs held in conjunction with board meetings for CEO networking opportunities.
- Webinars for supported dentists and team members through www.theadso.org.
- Practice management and clinical articles through www.theadso.org.

DSO Marketing Profile
- Company profile through www.theadso.org.
- Social media outreach and communication of company access to care efforts.
